Westside Classic Cross Country Meet 2008 Meet Registration Information

Here are the instructions.

This year, all of the schools (hopefully) have already been added to the Westside Classic. Therefore, all that remains for a coach to do is to enter their athletes into the meet.

Athletic.net Instructions

1. Go to www.athletic.net The direct link to the meet is <http://www.athletic.net/CrossCountry/Results/Team.aspx?Cal=50614> or just log into your team page and click on “The Westside Classic” under your meet schedule.
2. Add your athletes under ***Coach Tools: Edit Athletes*** If you have already done this earlier in the year, skip this step.
3. Under Season Calendar, Chose the Westside Classic.
4. On the left hand side, under team tools, choose **Register Athletes** and enter your athletes who will be competing. **Be sure to include up to 9 athletes (your seven competitors and two alternates).**
5. Your registration will be confirmed and will be listed on the www.athletic.net meet page when they have been confirmed by meet staff.
